

## 2010 Training Classes

The stacking, gaiting and baiting refer to Jeri El Dissi's 6:30 PM classes for inexperienced dogs and/or handlers. Extra help and instruction will be done on one of these three disciplines each week. The AKC S.T.A.R. Puppy Program classes are dependant upon an adequate number of advanced enrollment. Classes are limited to 10 puppies up to 1 year of age. Mixed breeds are welcome.
